EDF 2.0 BIOC: Excel file to be completed and sent, with corresponding files attached, to depot@poisoncentre.be

Identification			Provided documents (names of attached files)		
Trade Names	Autorisation/notification number	Biocide product type	Safety Data Sheet SDS (in French, Dutch or English)	Product composition (confidential)	Label
Mandatory	If applicable	Mandatory	Mandatory	Mandatory	Mandatory

Enter the commercial name or names which are found on
the label and on the safety data sheet.
It is very important to mention all the names on the label and on the safety data sheet.

Separate the names with a semicolon.

Enter the authorisation number or the notification number assigned by the Federal Public Service Health, Food chain safety and Environment

www.biocide.be

Enter the full name of the attached files. Don't forget the extension!

Tip: copy-paste the file names to avoid mistakes.

REMARK: a file name cannot contain accented letters or the following characters :

& @ : ampersand or « at » sign
" ' : double or single quotes
` ^ ~ : accents
( ) : parenthesis
[ ] : square brackets
{ } : curly brackets
< > : less than and greater than signs
, ; ? ! : comma, semicolon, interrogation and exclamation sign
= + * % : equal, plus, star or percent sign
| / \ : vertical bar, slash and back slash

Enter the type or types of the biocidal product.

There are 22 types of biocides, which can be found in the annex V of the Regulation (EU) nr 528/2012 of the 22 May 2012.

If the product corresponds with several types, separate the numbers with a semicolon.
